

PUBLIC NOTICE
Notice of Proposed Change
in Schedule of Rates to
Customers of Consumers
Illinois Water Company

To the Customers of Con-
sumers Illinois Water
Company:

Consumers Illinois Water Company hereby gives notice to the public that it has filed with the Illinois Commerce Commission a proposed change in its rate schedules for water service in all areas served by the Kankakee Division, which includes the City of Kankakee; Villages of Bourbonnais, Bradley, Aroma Park and Grant Park; portions of the Townships of Aroma, Bourbonnais, Kankakee, Limestone, Manteno, Otto, Rockville, St. Anne, Summer and Yellowhead in Kankakee County, Illinois, and that said changes for all classes of water service, if approved, would result in overall revenue increase of approximately 24.14%. The proposed increase in rates is set out in Schedule ILL. CC.No. 47 filed with the Illinois Commerce Commission.

If this rate request is granted in full as filed, an average monthly residential bill (6,300 gallons per month) would increase by \$7.05. This increase would raise current cost of water and fire protection \$0.23 per day, from \$0.95 per day to \$1.18 per day. At the new rate, a typical residential customer will receive 176 gallons of water per dollar.

The rate increase will help fund the \$12.7 million in planned upgrades to the water treatment facilities, a new elevated one million gallon water storage tank, and replacement of aged water mains, hydrants and services.

A copy of the proposed change in rate schedules may be inspected by any interested party at the business office of the Company.

Customers should be advised that the Illinois Commerce Commission may alter or amend the rates or conditions of service after hearing held pursuant to 83 ILL. Adm. Code 200 and may increase or decrease individual rates in amounts other than those requested by the Company. An interested party may file a Petition to intervene in the hearings pursuant to 83 ILL. Adm. Code 200.

All parties interested in the matter may obtain information with respect thereto either directly from this company or by addressing the Chief Clerk of the Illinois Commerce Commission, 527 East Capitol Avenue, Springfield, Illinois 62701.
